**SAVE THE DATE**

**IAFC Southwestern Division Conference 2021 Midwest City, Oklahoma**

**Day 1: October 6th 2021**

**Chief Bob Hoff** is a 40+ year veteran of the fire service. He rose through the ranks of the Chicago Fire Department and retired as Commissioner. He is the Co-Author of Firefighter Rescue and Survival published by Fire Engineering and is a Field Staff Instructor for the Illinois Fire Service Institute.

**Chief Anthony Kastros** is a 32-year veteran of the fire service. He retired as a battalion chief with Sacramento Metro Fire District, and founder of Firefighter Inspiration Readiness and Education (FIRE). Through FIRE, he has coached thousands of firefighters on assessment centers, interviews, leadership and promotional techniques.

**Chief Peter Van Dorpe** Retired Fire Chief of the Algonquin-Lake in the Hills Fire Protection District in Illinois, and 33-year career with the Chicago Fire Department (CFD). He recently participated as a subject-matter expert for UL research on “Structural Stability of Engineered Lumber in Fire Conditions,” NIST’s “Evaluating Firefighting Tactics Under Wind-Driven Conditions” and the IAFF/NIST “Firefighter Safety and Deployment Study” in high-rise buildings. Van Dorpe currently serves on the Advisory Board for UL’s FSRI and is President of the International Society of Fire Service Instructors.

**Day 2: October 7th 2021**

**Chief Brian Brush** is a 25-year veteran of the fire service. His experience includes rural and metro-sized departments. He currently is the chief of training for the Midwest City, OK Fire Department. Previously, Brush served with the Edmond, OK Fire Department and West Metro, CO Fire Rescue. He teaches around the country and will deliver the keynote address at Firehouse Expo 2021 in Columbus Ohio.

**Dr. Haley Murphy** is an Assistant Professor of Political Science at Oklahoma State University. She primarily teaches public administration courses to both Fire and Emergency Management graduate students and Political Science majors. Her research focuses on collaboration between nonprofit organizations, religious organizations, and government agencies, particularly after disasters.

**Chief Mike Walker** is the deputy chief of operations at Oklahoma City Fire Department. Chief Walker is a 30 year veteran of the fire service, nationally recognized instructor and delivered the keynote address at FDIC in 2013.
